Caen, Maine Alaska 5th November 1914
My Dear Friend - have been
thinking of you all the morning
will send this as a token of
remembrance also not want to
get obliged so far from my
old friends as he says it them
best had seen you have days
needed it so much. I have been
at home by this being even thinking
of a letter from her every mail
think of her so much & do hope she
will feel more secure if she
reads a letter from me
